Hospital number: BH-482917

Date: 5 October 2026

Your procedure: appointment and preparation

Dear Mrs Margaret Hughes,

You are booked for a **cataract surgery (right eye)**. The cloudy lens in your right eye is removed and replaced with a clear artificial lens. This letter tells you when and where to come, how to prepare, and what to expect afterwards. Please read it carefully and keep it.

Your appointment

Date	Thursday 12 November 2026
Please arrive at	08:30
Where	Eye Day Unit, Level 1, Brackenridge Community Hospital
Anaesthetic	Local anaesthetic (you will be awake; the area is numbed)
Type of stay	Day case: expect to be with us for about 3 hours

Eating and drinking

You can eat and drink normally before your operation.

Your medicines

- Keep taking your usual medicines, including eye drops, unless told otherwise.
- If you take blood-thinning medicines, call the pre-assessment team. Do not stop them without advice.

What to bring

- A list of your medicines
- Your glasses
- Something to read

Please leave jewellery and valuables at home.

Going home

You will need someone to take you home, as you will not be able to drive. Do not drive until your eye doctor says your sight meets the legal standard.

Most people notice clearer sight within a few days. Use your eye drops as shown for 4 weeks.

When to get help

Contact us straight away if you have any of the following:

- Increasing pain in the eye
- Your sight gets worse
- Increasing redness or sticky discharge

Contact us

If you have questions, or need to change your appointment, call 01632 960215 (Monday to Friday, 9am to 5pm). Outside these hours, call 01632 960999. Please quote your hospital number.

Yours sincerely,

Pre-assessment Team
