Mortgage Offer and Illustration

Dear Mr Gareth Lloyd,

We are pleased to offer you a mortgage for the remortgage of the property shown above. Please read this document carefully. It sets out the key features of the mortgage, what you will pay, and the conditions that apply. This offer is valid until 22 March 2027.

1. Key features

Product	5 Year Fixed Remortgage 60%
Amount of loan	£210,999.00 (includes product fee added to the loan)
Value of the property	£420,000.00
Loan to value	50.2%
Mortgage term	20 years
Repayment method	Capital and interest (repayment)

2. Interest rate

Your mortgage starts on a fixed rate of **4.19%** for 60 months, until 31 October 2031. After that, it will move to our Standard Variable Rate (SVR), currently **7.49%**, for the rest of the term. The SVR can go up or down at any time.

3. What you will need to pay

Period	Number of payments	Monthly payment
Fixed rate at 4.19%	60	£1,299.84
SVR at 7.49% (assumed unchanged)	180	£1,607.25

The total amount you will have to repay, assuming rates do not change, is **£367,295.28**.

Illustration only: if the SVR were 1% higher when your fixed rate ends, your monthly payment could rise to about £1,707.37. This is not a forecast.

4. Fees

A product fee of £999.00 applies. You asked us to add it to your loan, so you will pay interest on it. A valuation was carried out at no cost to you.

5. Overpayments and early repayment charges

You can overpay up to 10% of the outstanding balance each year during the fixed-rate period without a charge. If you pay more than this, or repay the mortgage in full during the fixed-rate period, an early repayment charge (ERC) applies to the amount repaid:

Period	Early repayment charge
--------	------------------------

Fernmoor Building Society

Year 1	5% of the amount repaid
Year 2	4% of the amount repaid
Year 3	3% of the amount repaid
Year 4	2% of the amount repaid
Year 5	1% of the amount repaid
After the fixed-rate period	No charge

6. Your obligations

Your home may be repossessed if you do not keep up repayments on your mortgage. You must keep the property insured against fire and other risks for its full rebuilding cost. If you want to move home, this mortgage may be transferred to a new property, subject to our lending criteria at the time.
